

IrvineI Announces Launch Date for AI-Powered Touch Screen Doorbell

IRVINE, CALIFORNIA, UNITED STATES, March 29, 2024 /EINPresswire.com/ -- IrvineI, the innovator in smart home technology, is thrilled to announce the highly anticipated launch date for its [AI-Powered TouchScreen Doorbell](#). The product is set to debut on Kickstarter on April 9th, 2024, commencing at 6 AM PST.

It is available at an introductory offer of \$249, a significant discount from its retail value of \$512, backers will also receive a complimentary 6-month premium subscription. This offer will be available for a limited 24-hour period, ensuring early buyers avail this opportunity.

Objectives of [IrvineI DoorBell](#)

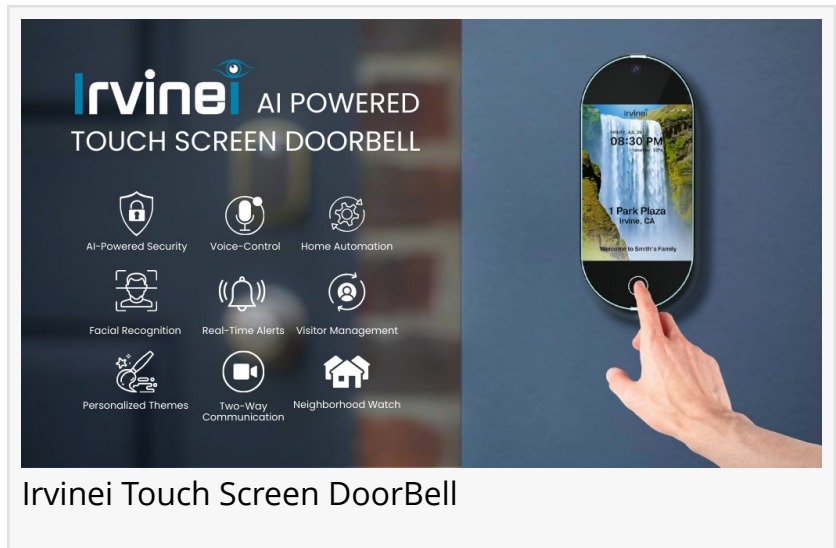

It is a smart home assistant with Security, Comfort, and Style. With AI algorithms, it mines social media to offer insights on guests. It helps to stay connected with guests via video, audio, or messages. IrvineI's HD camera ensures crystal-clear visuals day or night. It seamlessly controls home systems with integrated smart devices. It customizes experience with personalized themes. IrvineI: the future of smart homes.
