DatamanUSA's IT & Security Management Solution solves the IT & Security problems of IT Professionals everywhere.

DatamanUSA is thrilled to introduce the launch of its IT & Security Management Solution

DatamanUSA's IT & Security Management Solution stands as the world's pioneering and singularly tailored platform crafted to specifically tackle the demands of multifaceted IT professionals. A unified solution encompassing all essentials, meticulously woven together to streamline your workflow, empower productivity, and remain budget friendly.

1. RMM/Endpoint Management
DatamanUSA's RMM Solution unifies endpoint management within a single tool and platform. Any device, any endpoint, any environment, anything.

2. Security
DatamanUSA's Security Solutions provide IT professionals with powerful capabilities for defending against cyber threats. It helps protect organizations with security measures that are integrated into a single platform for maximum efficiency.

3. Audit and Compliance
DatamanUSA's Audit and Compliance Solutions enhance network visibility for IT professionals by automating the discovery of hard-to-find issues. It gives clients the power to respond immediately, improve the security and prove compliance.

4. Unified Backup
DatamanUSA's Unified Backup Solutions allow IT Professionals to safeguard business-critical data against ransomware, data loss and downtime — no matter where the data lives.

5. Business Services
Every aspect of business is reliant upon technology, from finance to procurement, billing, payments, communications, insurance, human resources, and much more. DatamanUSA's Business Services provide the essential tools to manage the functions that support the businesses.
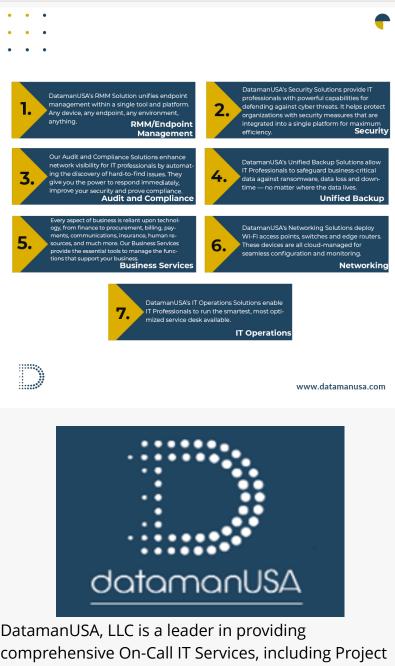

6. Networking
DatamanUSA's Networking Solutions deploy Wi-Fi access points, switches and edge routers. These devices are all cloud-managed for seamless configuration and monitoring.

7. IT Operations
DatamanUSA's IT Operations Solutions enable IT Professionals to run the smartest, most optimized service desk available.

Nidhi Saxena, CEO of DatamanUSA, emphasizes: "With years of experience in the IT industry and a proven track record of delivering innovative solutions, DatamanUSA emerges as your trusted partner for all your IT requirements. DatamanUSA's team of experts is committed to offering unparalleled support and guidance at every juncture, aiming to address the IT & Security challenges encountered by IT professionals worldwide."
