

ExactEstate Wins Best Support in G2's Spring 2024 Relationship Index Report

ATLANTA, GA, USA, March 29, 2024 /EINPresswire.com/ -- [ExactEstate](#), a leading property management SaaS platform provider, has achieved the Best Support Award from G2, the world's largest and most trusted software marketplace.

This recognition is based on real users' responses for each Spring 2024 Relationship Index Report-related question featured in the G2 review form.

At our core, we believe happy customers are our greatest success. Winning G2's Best Support Award shows we're on the right track, delivering exceptional experiences for our users."

The Spring 2024 Relationship Index Report is based on ratings by business professionals. ExactEstate's [Property Management Software](#) Platform received 10 or more reviews and five responses for each relationship-related question to qualify for inclusion in the Relationship Index.

"While over 150,000 different software products and services are featured on G2, only the highest ranked are recognized each quarter according to their category, company size, geography, and report type," said Sara Rossio, Chief Product Officer at G2. "These reports serve as valuable, tailored lists for buyers conducting research in

their purchasing journey. We extend our congratulations to those vendors who have achieved a coveted spot in a G2 report, driven by insights from real customer feedback."
