Here are some of the testimonials:

"I wanted to share my experience working with Elka and her amazing team. Back in 2021, I contacted Elka to help with my custody case. I had a good feeling after having my consultation with her, so I retained her services. Elka was always understanding and gave the best legal advice for my situation. Two years later, my case was finally settled, and I ended up with more than I could ever ask for. I just wanted to thank her and her team for the speedy response, the professionalism, and most importantly, the respect they had for my time and my case," wrote Ivanna Lopez, one of their clients, on Google Reviews.

"I strongly recommend Maria Norka Zagazeta from ZGLLP. She is an excellent immigration lawyer—the best in Mississauga! My husband's overseas sponsorship was completed in less than a year with no interview. I highly recommend her," said Grecia AR.

"I highly recommend the services of LLP Zagazeta Maria. The first consultation showed professionalism, honesty, and a serious interest in my case. The fees were fair, and it was worth it since, at all times, she and her assistants answered all my doubts during the process, and each time that migration required something, she attended in a timely manner. I am infinitely grateful for the legal and human help provided by this excellent team," mentioned Maria Ladagga.
