- * The effects of the Reform Integrity Act (RIA) of 2022 on investors, service providers, and capital seekers for the EB-5 Visa Program.
- * Strategies to secure EB-5 investments in the capital stack under the Reform Integrity Act (RIA).
- * EB-5 due diligence and methods of choosing EB-5 project investment.
- * Trends and strategies for successful direct and regional center EB -5 projects.
- * EB -5 market movements, source of funds options, RIA filing probabilities, and impacts of

inflation.

About Vivek Tandon:

Vivek Tandon is the founder and CEO of [EB5 BRICS](#) – the go-to source for everything related to the EB-5 green card program. A lawyer and an investment banker, Tandon's primary focus is on educating investors in India and Dubai about the EB-5 visa program, as well as EB-5 regional center projects and investments. Tandon holds FINRA securities licenses and is registered with the securities broker-dealer, Sequence Financial Specialists LLC (member FINRA/SIPC) dba InvestAmerica, a boutique foreign direct investment marketing platform for alternative investments including EB-5. As a financial professional, he focuses on the investment side of EB-5 and helps investors make informed investment decisions based on extensive project and regional center due diligence.

Vivek Tandon regularly meets with EB 5 investors throughout India, Dubai, and Singapore. The EB-5 Visa is an immigrant program that grants permanent residence to investors and their dependents. EB-5 investors must meet the minimum investment and job creation requirements to qualify for the program.
