ABOUT VICTORY BRIDGE FOUNDATION

No one should have to experience the damage that PTSD does to a family. Victory Bridge was created to ensure that Heroes and their Families have the resources, knowledge, and camaraderie they need to thrive without risk or fear of seeking support. Whether you are an active military, veteran, first responder, family member or loved one, we welcome you. Every Sunday at 2 pm PST (5 pm EST), we host our Resilience & Recovery virtual community forum - focused peer support zoom meetings for active military, veterans, first responders, and their families. It provides its members the opportunity to learn and connect as they share and help others. We also host the annual Golden Victor Awards which is dedicated to fostering a vibrant community through thoughtfully curated events that celebrate excellence in the veteran & first-responder community.
