When one bored Earthling teen is accidentally teleported to the far flung Starkadian Empire, he lands face first in the middle of an interdimensional battle between good and evil, with the fate of the universe at stake! Now it's up to him and a ragtag bunch of misfits to defeat the shadowy, extradimensional armies of the Empire and become the heroes the system needs.

Features:

- Strategic turn-based combat with quick time events
- A deeply rich and engaging story
- 12 quirky characters to collect and play as, each with their own unique attributes and skills
- A sprawling universe with over 9 planets to explore
