

Encore Health Network Leverages Investment in Next Generation CAPS Technology to Increase Efficiency and Scalability

Encore Health Network engages next generation CAPS platform from PLEXIS to help further optimize its Healthcare claim repricing operation.

MEDFORD, OR, UNITED STATES, April 2, 2024 /EINPresswire.com/ -- [Encore Health](#) Network (Encore), a leading regional preferred provider organization (PPO) specializing in healthcare claim repricing for self-funded employer groups, has announced the successful implementation of [Quantum Choice™](#) (QC), a cutting-edge core administrative processing solution (CAPS) platform developed by [PLEXIS Healthcare Systems](#).

Quantum Choice embodies our dedication to providing solutions that resonate with the dynamic needs of healthcare payers, TPAs, and repricing organizations."

Jose Lopez, Chief Revenue Officer, PLEXIS Healthcare Systems

As a pivotal intermediary between submitting healthcare providers and payers, Encore plays a critical role in the repricing of healthcare claims. With the integration of Quantum Choice, Encore is poised to streamline and optimize their repricing workflows, enhancing efficiency

and scalability while maintaining their commitment to accuracy and precision.

Quantum Choice is designed to meet the unique needs of organizations like Encore, focusing on the intricacies of claim repricing. QC offers advanced capabilities tailored specifically to the repricing landscape, empowering Encore Health to excel in their core strength at repricing billed charges and facilitating seamless claim adjudication with payers.

"We are thrilled to leverage the power of Quantum Choice from PLEXIS Healthcare Systems to further elevate our repricing capabilities," said Shawn Gibbons, Vice President of Development at Encore. "This strategic implementation aligns seamlessly with our mission to enhance the repricing process, ensuring accuracy and efficiency in our interactions with both healthcare providers and payers."

The partnership between Encore Health Network and PLEXIS Healthcare Systems signifies a commitment to innovation and excellence within the realm of healthcare claim repricing. Encore

is poised to reinforce its position as a trusted leader in the regional PPO landscape, delivering accurate and efficient repricing services.

"We stand at the forefront of the healthcare payer digital evolution, ensuring that our claims processing and repricing performance not only meets the demands of today, but paves the way for tomorrow," said Jose Lopez, Chief Revenue Officer at PLEXIS. "Quantum Choice embodies our dedication to providing solutions that resonate with the dynamic needs of healthcare payers, TPAs, and repricing organizations."
