This is their first visit back to North America since last year during their 2nd world tour, <Save Me, Kill Me>. This tour is also named after their latest single album, "0 or 1," which was released earlier this year in January. 0 and 1 are simple numbers that when combined help with solving information and understanding relationships. With CIX's exploration of this concept, it now comes down to one or the other. Either stay with me forever or face the tragedies and become my enemy.

ABOUT CIX

CIX is a South Korean K-Pop group under C9 Entertainment. They made their debut in 2019 with their EP, 'HELLO' Chapter 1. Hello, Stranger. Their name stands for "Complete in X," where each of the members' uncertainties come together to become complete as one. The group consists of

BX, SEUNGHUN, BAEJINYOUNG (who was a member of the group WANNAONE), YONGHEE, and HYUNSUK.
