LOS ANGELES, CALIFORNIA, UNITED STATES, April 2, 2024

/EINPresswire.com/ -- [Amalfi Jets](#) Inc., a global private jet charter and jet card provider, is offering a limited-time delayed deposit on its Amalfi [One Jet Card](#).

Throughout April, clients interested in purchasing the Amalfi One Jet Card can do so at no fee or any upfront cost. Their membership will become active upon signing the terms and will have 14 days to deposit the minimum amount of \$50,000 USD to keep their account active. Throughout the 14 days, members can use the full benefits of the membership, utilize the Amalfi Jets App and full Concierge Team, as well as view and book empty legs. The firm hopes this will reduce the barrier to entry of purchasing the jet card.

“We recognize and appreciate the significance of large capital commitments toward any product,” Kolin Jones, Founder & CEO of Amalfi Jets, said. “Through launching this offering, we hope to remove the upfront trepidation that can arise from such an investment, allowing our clients the time to experience Amalfi and our booking process before committing wholly.”

To take advantage of this offer, interested travelers must secure their complimentary jet card by placing a deposit by April. The 14-day period will begin after they sign up and become a member.
