

# SALT Chamber Develops Signature 'Salt + Sound' Lounges for Opal Collection

BOCA RATON, FL, UNITED STATES, April 2, 2024 /EINPresswire.com/ -- [SALT Chamber](#) has announced a collaboration with Opal Collection on signature multisensory Salt + Sound Lounges. The first two properties in the collection to add Salt + Salt Lounges were The Sagamore Resort in Lake George, NY, and Wentworth by the Sea in Portsmouth, NH—converting underutilized nail salons into multipurpose salt rooms with sound healing for profitable touchless treatments. Future [salt projects](#) are in the pipeline in Opal properties from Maine to Florida.

Trina Jefferson, Vice President of Spa and Wellness for [Opal Spas](#), is the visionary behind the Salt + Sound concept.

"Collaborating with Leo and his team at SALT Chamber on Opal Spas' signature Salt + Sound Lounges has been a pleasure. As a signature touchless treatment, "the Lounge drives incremental revenue and provides the holistic spa experience that increases the capture rate from hotel guests to the spa." It has also increased the capture rate from hotel guests to the spa," said Jefferson. "The backlit Himalayan salt wall is perfect for our biophilic design and captivating to guests. They are drawn to it without even knowing the therapeutic benefits of salt therapy and love it when we educate on the many benefits of halotherapy."
