

The Bizzell Collective Unites Top Firms to Offer Federal Government Agencies with Integrated Solutions as One-Stop Shop

This powerful synergy of eight federal contracting firms de-risks the complexities of large, multi-faceted solicitations by offering integrated solutions.

NEW CARROLTON, MD, USA, April 3, 2024 /EINPresswire.com/ -- Eight leading firms with proven past performance across a range of federal government agencies have collaborated for the formation of the Bizzell Collective, a powerful synergy designed to empower federal agencies in tackling complex challenges with integrated solutions.

The Bizzell Collective brings together the diverse expertise of:

- Bizzell US with significant expertise in public health program development, data analytics, program management and communication outreach with past performance supporting Health and Human Services agencies, Department of Labor, and U.S. Food and Drug Administration among dozens of other agencies.
- Blueprint Creative Group with expertise in strategic communications, outreach, public health equity, multimedia design and meetings and logistics with past performance supporting the U.S. Army Medical and Research and Development Command, Army National Guard, and NASA among other agencies.
- Cyber Security Innovations (CSI) with past performance delivering cybersecurity solutions, compliance, and FedRAMP authorization for agencies like the Social Security Administration and the US Navy.
- Dobbs Defense Solutions with a deep understanding of the Department of Defense's and the intelligence community's policies especially in areas related to cybersecurity service management and infrastructure cybersecurity, enterprise IT and business intelligence and past performance supporting the Department of Defense, U.S. Army, and the Department of Veterans Affairs, among others.
- MMC Consulting supporting agencies like FEMA, USDA, and USAID with acquisition and program management, human capital solutions, and training.

- Peers & Partners with significant past performance supporting CDC, ACF, and NIH with public health research implementation, strategic communications, and program management.
- Q2 Consulting Solutions with past performance supporting agencies like USDA, USAID, Department of Treasury and US Air Force One with transformational services for the stand-up of PMOs, project controls, program evaluations and assessment, and dashboard visualization.
- TactIQ with expertise enhancing workforce innovation for the Department of Labor with its innovative software development solutions built on AWS and customizable to meet the unique needs of any organization.

"The power of teaming, as exemplified by the Bizzell Collective, lies in the seamless integration of diverse capabilities to deliver a sum greater than its parts," shares Dr. Anton Bizzell, President and CEO of The Bizzell Group. "Each company brings a unique set of skills and experiences that, when united, create a formidable force capable of delivering strategic and scalable results."

The Bizzell Collective covers the following socioeconomic certifications, including SBA 8(a), Service-Disabled Veteran Owned Small Business (SDVOSB), Woman-Owned Small Business (WOSB), Economically Disadvantage Woman-Owned Small Business (EDWOSB), HUBZONE certifications.

The Bizzell Collective provides a comprehensive suite of services including:

- Public Health Expertise: Addressing health literacy, behavior change, and stakeholder engagement in public health initiatives.
- Strategic Communications & Outreach: Crafting compelling messages and executing effective communication strategies across various channels.
- Program & Project Management: Leading projects from inception to completion with expertise in planning, execution, and evaluation.
- Data Analytics & IT Solutions: Leveraging data insights and robust IT solutions to drive informed decision-making.
- Cybersecurity & Compliance: Ensuring data security and project compliance with the latest government regulations.

Benefits for Contracting Officers:

- Reduced Risk: Mitigate project execution risk through the collective's collaborative approach and proven track record.
- Streamlined Procurement: Simplify the contracting process by working with a single entity for comprehensive solutions.
- Unparalleled Expertise: Access a wide range of specialized skills without the need to manage multiple vendors.
- Improved Efficiency: Ensure seamless project execution with clear communication and unified

management.

The Bizzell Collective positions itself as a trusted partner for federal agencies seeking innovative solutions to navigate complex challenges. To learn more about the collective and its capabilities, please visit Jovan Silva at jsilva@bizzellus.com.
