

# Impelsys named as a supplier for NHS Shared Business Services' Digital Health Advisory Framework

*Impelsys, a global provider of technology solutions, is delighted to announce its selection as a supplier for the NHS SBS Digital Health Advisory Framework.*

NEW YORK CITY, NEW YORK, USA, April 3, 2024

/EINPresswire.com/ -- Impelsys, a premier global provider of technology solutions for healthcare, is delighted to announce its selection as a supplier for the prestigious NHS Shared Business Services' Digital Health Advisory Framework. The selection underscores Impelsys' commitment to advancing healthcare through innovative digital solutions.

“

We look forward to collaborating closely with the NHS and leveraging our expertise to drive impactful outcomes for healthcare providers and patients alike.”

*Anand Ramachandran, CRO  
at Impelsys.*

The NHS SBS Digital Health Advisory Framework is a pivotal initiative aimed at facilitating access to cutting-edge digital expertise and technologies to enhance healthcare delivery across the United Kingdom.

Impelsys has been named as a supplier across multiple categories:

- Specialist Clinical and [Healthcare Digital Consultancy](#)
- Clinical and [Digital Health Delivery](#) and Augmentation
- Clinical Data Science & Population Health Analytics

Being selected for these categories enables Impelsys to

contribute its expertise in various aspects of digital healthcare, including consultancy services, delivery and augmentation of clinical and digital health solutions, as well as advanced data science and population health analytics.

"We are thrilled and honoured to be selected as a supplier for the NHS SBS Digital Health Advisory Framework," said Anand Ramachandran, Chief Revenue Officer at Impelsys. "This selection is a testament to our unwavering commitment to revolutionizing healthcare through

technology. We look forward to collaborating closely with the NHS and leveraging our expertise to drive impactful outcomes for healthcare providers and patients alike."

Impelsys has a proven track record of empowering healthcare organizations worldwide with innovative digital solutions tailored to their unique needs. With this selection, Impelsys reaffirms its position as a trusted partner in the global healthcare ecosystem.
