

# Tribal Health CEO Morgan Haynes Named a Rising Star by Modern Healthcare

SCOTTSDALE, ARIZONA, UNITED STATES, April 3, 2024

/EINPresswire.com/ -- Tribal Health, an industry leader in delivering [healthcare solutions for Native American communities](#), announced that its Chief Executive Officer Morgan Haynes was honored as a Rising Star in Modern Healthcare's Women Leaders in Healthcare program.

Tribal Health President Whitney LaCroix praised Haynes, calling the award a well-deserved validation of her creative thinking, remarkable achievements, and profound passion for improving the patient experience.

"Morgan's grit and ingenuity have propelled our company to its current position as the leader in Indigenous healthcare transformation," LaCroix said. "Innovation drives change in healthcare, and Morgan has pushed the envelope on what is possible in the staffing industry, creating programs that spark radical improvements for both healthcare facilities and professionals. Her unique talents exemplify the Tribal Health Way – and this honor is a testament to her vibrant and compassionate brand of leadership."

Haynes stated that her inclusion on Modern Healthcare's list of Women Healthcare Leaders was especially meaningful as the award program acknowledges executives who are guiding [healthcare delivery improvement](#) across the country. Since taking the helm at Tribal Health, Haynes has led the company through a period of tremendous growth and innovation, expanding the company's contracts across the country and extending the provision of culturally competent care at Indian Health Services and 638 facilities.

"I am stunned and grateful to be included on a list of such high-achieving women," Haynes said. "This award is in part a reflection of Tribal Health's culture, which offers leaders a platform to do
