AUSTIN, TX, UNITED STATES, April 3, 2024 /EINPresswire.com/ -- [Hackney Publications](#) announced today that it has published the fourth annual "[100 Law Firms with Sports Law Practices You Need to Know About](#)," a portal that serves as a resource for those in the sports industry who need experienced and capable legal counsel.

The law firms are listed alphabetically, a testament to the difficulty in actually ranking such firms. Narrowing the list to just 100 law firms was also a challenge, according to Holt Hackney, who has been editing and publishing sports law periodicals for 25 years.

"Creating and maintaining a vibrant sports practice group continues to be a priority for many law firms," said Hackney. "We really wanted to be discerning with this year's list, which is why some firms were removed and others we added."

Hackney Publications relies on readers, professors, and other industry experts in creating the list.

Among the many firms included on the list are:

Today, Hackney publishes or co-publishes 24 sports law periodicals, including Sports Litigation Alert, which offers a searchable archive of more than 4,000 case summaries and articles.
