POMFRET, MD, UNITED STATES, April 5, 2024

/EINPresswire.com/ -- [The Adventures of Officer Jack](#), a new children's book written by [James Burd Brewster](#), is released just in time for children to appreciate police officers for Police Officer Memorial Day on May 15th. This heartwarming book not only entertains young readers, but also pays tribute to the brave men and women who serve as police officers.

A USCG veteran, Brewster based his stories on actual police rescues and honors the officers and their departments by citing them in the book. This adds a personal touch and allows children to learn about the real-life heroes behind the characters of Officer Jack and Kate.

One of the main themes of the book is humility. As the two officers are praised for their heroic actions, they respond with a salute and a simple, "Glad to do it!" This teaches children the importance of humility and the true nature of public servants. The book also aims to bridge the gap between children and police officers, showing them as approachable and kind individuals.

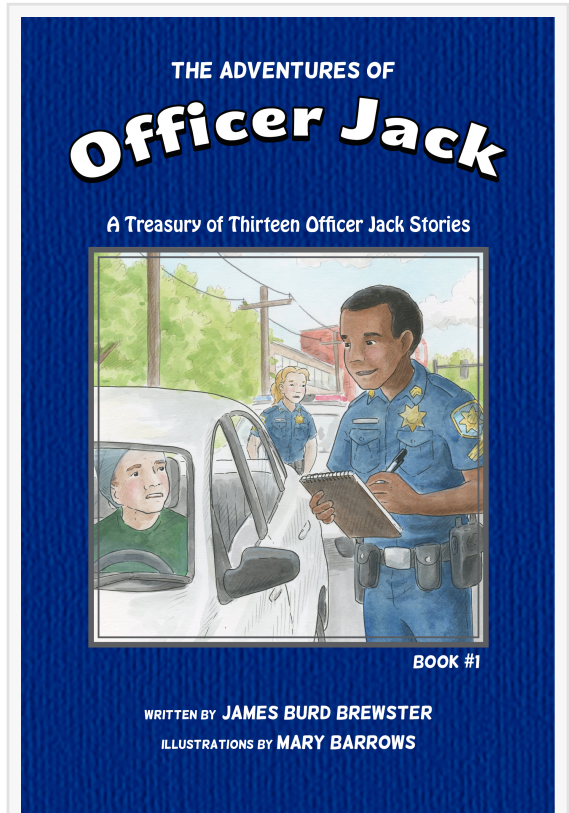

“

These books began as bedtime stories I told my two oldest boys.”
