MALAYSIA, April 4, 2024 /EINPresswire.com/ -- White on White, one of the most looked-upon names in classy [florist](#) arrangements and [chocolate bouquets](#), is very euphoric and happy to at last proclaim that one of its new branches has been opened up in Singapore, inline with months of expansion and the preparation for it. Today, the company is well-positioned in Malaysia: in [Kuala Lumpur](#), Kuching, and Ipoh through efforts to serve a set of burgeoning demands in the region, hence Singapore, for its products and services.

Thus, with the inauguration of the newly added branch of White on White in Singapore, it is going to maintain the same essence of quality and excellence for which the brand is known but will offer its clients a large variety of breathtaking florist and delightful chocolate bouquets arrangements by White on White. White on White is determined to bring to its customers a special service amidst a place of great acclaim, Singapore.

"We are so thrilled to introduce the unique offering by White on White to the Singaporean market,"

the company's CEO said.

"We have proven that we offer quality products and service delivery to the customers; therefore, we are optimistic that we will be able to get a good reception from the customers from Singapore."

Be proud of the opening of this new brand in Singapore and another new brand added to the Malaysian branch, with full pleasure and pride of our own. "This goes a long way in showing our commitment to offering our customers the best service

they would ever get from us. So our move into new markets does mean just that," said the CEO.

"We are more than glad to take in customers who would visit the new branches and continue to overachieve their expectations from not just our products but also services."

As White on White continues to grow, the company is keenly focused on maintaining the highest level of product quality and excellent service to its customers.
