

# Celebrate EASA Quality Assurance Month with Sofema Online

*This April, Sofema Online is excited to announce a month-long focus on EASA Quality Assurance.*

SOFIA, BULGARIA, April 8, 2024

/EINPresswire.com/ -- This April, Sofema Online is excited to announce a month-long focus on EASA Quality Assurance, providing a unique chance for aviation professionals to broaden their knowledge and skills in this

critical area. The initiative includes a carefully curated selection of courses related to Quality and Compliance, now offered with a special 20% discount. This initiative underscores the commitment to fostering professional growth and excellence within the aviation community.

The session is designed to impart the most current insights and enhance auditing capabilities within the realm of aviation quality assurance. The [webinar](#) is set to take place online in April 2024, between 10:30 and 12:45, with a short break scheduled from 11:30 to 11:45.

April represents a prime opportunity for Quality Personnel and those aspiring to enter this field to advance expertise and knowledge, essential for navigating the complexities of the aviation industry. Sofema Online prides itself on being a cornerstone of aviation professional training, characterized by:

- A comprehensive platform that caters to a global audience, offering deep dives into EASA-compliant and vocational training.
- A commitment to empowering aviation professionals with accessible, top-tier training crafted by experts with extensive industry experience.
- A suite of featured courses aimed at reinforcing the professional journey, including topics on Root Cause Analysis, EASA Quality Assurance Auditing, Compliance - Auditing, and many more.

Choosing Sofema Online means opting for a learning journey that not only broadens knowledge but significantly enhances career trajectory in the fast-paced aviation sector. The programs are designed to ensure flexibility, allowing learners to engage with course content from anywhere, at any time. This approach, coupled with dedication to maintaining EASA compliance and offering

networking opportunities through webinars and an online community, positions Sofema Online as an ideal partner for professional development in aviation.

Take the next step towards realizing the potential within the aviation industry with [EASA-compliant training courses](#) from Sofema Online. Embrace the chance to learn at a pace, supported by expertise and certifications tailored for aviation professionals.
