The Google Cloud Breakthrough Partner of the Year award celebrates partners who have emerged and expanded their partnership with Google Cloud, resulting in innovative breakthroughs and outstanding growth in their customer base and/or revenue. CloudWerx's in-depth understanding of Google Cloud, coupled with its agility and ability to

implement customized solutions, has solidified its position as a trusted and innovative partner across various industries. By harnessing Google Cloud's advanced services, including Google Kubernetes Engine, Looker, Vertex AI, BigQuery, and Anthos, CloudWerx has successfully developed secure and highly available solutions for businesses of all sizes.

[Betsy Reed](#), Co-Founder and President of CloudWerx, expressed her excitement and profound gratitude for being named Google Cloud's Breakthrough Partner of the Year for North America. She shared, "Receiving this esteemed award is a reflection of the unwavering commitment and effort from our team, coupled with the robust partnership we've cultivated with Google Cloud. Our ongoing commitment to providing businesses with scalable, secure, and streamlined cloud solutions is underscored by this recognition, reinforcing our confidence in the trajectory we've

set for ourselves."

Since its inception, CloudWerx has exclusively committed to Google Cloud's platform, recognizing it as best-in-class with the most advanced native features, security applications, AI innovation, and a global network. As the Google Cloud Breakthrough Partner of the Year for North America, CloudWerx remains committed to deepening its partnership with Google Cloud and will continue to deliver innovative cloud solutions that support businesses in thriving in the digital era.

"Google Cloud's Partner Awards celebrate the transformative impact and value that partners have delivered for customers," said Kevin Ichhpurani, Corporate Vice President of Global Ecosystem and Channels at Google Cloud. "We're proud to announce CloudWerx as a 2024 Google Cloud Partner Award winner and recognize their achievements enabling customer success from the past year."
