

Dang Good Carpet And Furnace Cleaning Looks Back To 2023 After Receiving The ThreeBestRated® Award Of Excellence

CALGARY, ALBERTA, CANADA, April 5, 2024 /EINPresswire.com/ -- [Dang Good Carpet And Furnace Cleaning](https://www.danggood.ca) is once again comfortably named as one of the best carpet cleaning companies in Calgary. They are recently honoured with the 2024 [ThreeBestRated®](https://www.threebestrated.com) Award of Excellence as a great memory of their performance last year!

Looking Back To 2023!

Like many small businesses in Alberta, 2023 was somewhat of a challenging year. For many people carpet cleaning and certain other cleaning services were relegated to the 'luxury' category. As some of their customers experienced massive increases in mortgage rates or paid more (due to inflation) for basics such as heating, food, or fuel something had to give and so cleaning for some, high ticket items got put on the back burner.

Nevertheless, even in difficult markets there are still those customers out there willing and wanting to book specialty cleaning services and that only enforced their resolve to be the Best "Dang Good" Company in the carpet and furnace cleaning industry.

To that end, they wrote a blog post in November 2023 called: "[How to choose the Best Carpet](#)

Cleaning Company?"

They took the opportunity in 2023 to look at all their processes and services. It was important to them that they remained an affordable, yet profitable business; one which continued to give back to the community and add positively to the Alberta economy. Giving their employees a wage that reflects the hard work they provide is important to them as they always work on their slogan "A Dang Good Clean by A Dang Good Team!"

During the first two months of 2023, they created dedicated Location Pages for: Airdrie, Calgary, Chestermere, and Okotoks which highlighted their services and reviews for each area they serve. They also provide details of their participation in community events, primarily through sponsorship.

Despite the challenges of 2023, Dang Good Carpet and Furnace Cleaning remained solid in its superior customer service and reputation. Case in point, Dang Good reached well over 2000 reviews on Google with a Five Star Rating. At the time of writing, it makes them the highest ranked carpet cleaning company in Calgary. A significant milestone!

Here are some of their important achievements in 2023,
