SINGAPORE, April 22, 2024

/EINPresswire.com/ -- Budget Saudi Arabia, the Saudi Arabian [car rental](#) company, founded in 1978 and known for their steadfast commitment to customer satisfaction and unwavering pursuit of excellence, has once again emerged triumphant on the global stage. At the esteemed World Business Outlook Awards 2024, this distinguished company has been conferred with two prestigious accolades – [Best Customer Experience Services in Transportation and Logistics](#), Saudi Arabia 2024, and [Excellence in Transformational Business Leadership Award, Saudi Arabia 2024](#)

The World Business Outlook Awards stand as a beacon of recognition and celebration within the global business community, honouring organizations and individuals who demonstrate exceptional achievements, innovation, and leadership across various industries and sectors. These prestigious awards serve as a platform to showcase and commend the remarkable contributions made by companies and individuals towards advancing business, driving economic growth, and fostering positive change worldwide.

Since their inception with just one rental office, 20 cars, and a staff of 15 people, in 1978, Budget Saudi Arabia has demonstrated remarkable growth and innovation. Presently, the company operates with more than 101 rental offices across Saudi Arabia, housing a fleet of over 36,000

cars and employing a workforce of 1700 individuals. With the head office in Jeddah and regional offices in Riyadh and Dammam, along with branch offices strategically located throughout the kingdom, Budget Saudi Arabia has established themselves as a leader in the transportation and logistics sector.

Their relentless focus on customer satisfaction has earned them a reputation as a customer-driven service company. By anticipating and meeting the evolving needs of its clientele, the company continues to innovate and redefine the car rental experience. With a wide range of service offerings, including car rental, car leasing, pre-owned car sales, and chauffeur-driven services, Budget Saudi Arabia remains unparalleled in the industry.

Mr. Fawaz Abdullah Danish, felicitated with the "Excellence in Transformational Business Leadership Award Saudi Arabia 2024"

Budget Saudi Arabia's commitment to sustainability and innovation represents a significant stride forward. They have embraced progressive initiatives, such as integrating electric vehicles into their fleet, thereby advancing sustainability and endorsing environmentally sustainable resources (ESR). A standout initiative among their recent endeavors is the planting of 2000 saplings in Jeddah, a significant contribution to the Green Nation initiative. This initiative resonates with the broader Vision 2030 forestation project, aimed at fostering a greener future for the region. Their proactive engagement in nature conservation not only distinguishes them but also underscores their leadership in promoting environmental responsibility within the industry.
