Traditional Mini-Golf
For purists who prefer a more traditional approach, simply toggle off the traps and then players can enjoy a classic game of mini-golf with their friends. It's the perfect way for players to showcase their skills and relive the timeless joy of sinking that perfect putt.

Multiple Maps & Courses
Players can explore a variety of meticulously crafted maps, each offering multiple courses to conquer. Whether they prefer a quick 9-hole jaunt or a full 18-hole marathon, there's a challenge awaiting every golfer.

Options Galore
Players can customize their experience to perfection with a plethora of options at their fingertips. Adjust the time limits, set maximum stroke limits, or even disable traps entirely. Whatever their preference, GolfGambit ensures that the player can custom tailor the game to their liking.
