

# LT Accounting Launches Specialised Bookkeeping Services for SMEs

*The newly formed team is dedicated to enhancing financial management for small and medium-sized enterprises.*

LONDON, UNITED KINGDOM, April 6, 2024 /EINPresswire.com/ -- In a move designed to remodel small and medium enterprise (SME) financial management, [LT Accounting](#) is pleased to announce the formation of a purpose-built team of professional bookkeepers. This new service is tailored to support SMEs in taking control of their financial documentation, ensuring compliance and fostering growth without the traditional hassle associated with [bookkeeping](#).

According to the company, alarming statistics show that 16% of SME owners neglect proper business transaction recording. To address this critical issue, LT Accounting has assembled a dedicated team of bookkeeping professionals that will offer bespoke services aimed at integrating seamlessly with SME operations. This approach aims to support small business owners by managing the complexities of financial reporting and compliance, potentially providing them more space to concentrate on their primary business activities.

"Recognising the critical gap in the market for specialised bookkeeping services tailored to SME needs, we've launched our dedicated team to address and alleviate the bookkeeping burdens faced by small business owners," states Olivia Tombs, Accountant at LT Accounting. "Our goal is to provide a streamlined, hassle-free bookkeeping solution that not only ensures accuracy and compliance but also empowers business owners to concentrate on what they do best - running their business."

LT Accounting is certain this initiative comes at a crucial time, as SMEs are blindly navigating the complexities of financial management and compliance. With the company's tailored solutions, SMEs can gain peace of mind and operational efficiency, allowing them to leverage expert financial services traditionally reserved for larger enterprises.
