

TunesKit Activation Unlocker V3.0: New Features and Wider iOS Support

TunesKit Studio upgrades its popular app Activation Unlocker to a new level, with a cool new feature and wider iOS support for bypassing iCloud activation lock.

KOWLOON, HONGKONG, CHINA, April 11, 2024 /EINPresswire.com/ --

TunesKit is excited to announce the release of the popular [Activation Unlocker](#) V3.0.0. With a continuous commitment to innovation and user satisfaction, TunesKit has now integrated a new feature that allows users to [turn off the camera shutter sound](#) on their iOS devices. In addition, TunesKit Activation Unlocker extends its support to the latest iOS 16.7.5, ensuring users can remove activation locks from their iOS devices with the utmost ease and reliability.

The "Turn Off Camera Sound" feature comes as a response to user feedback and the growing need for silent photography in situations where a camera shutter sound could cause disturbances, such as during meetings, in wildlife photography, or in quiet public spaces. TunesKit Activation Unlocker, already known for its powerful ability to [remove activation locks without a previous owner](#) on iOS devices, now offers users the added benefit of capturing photos silently.

“

This new addition, along with our expanded support for iOS 16.7.5, solidifies TunesKit Activation Unlocker as the go-to solution for bypassing activation locks on Apple devices.”

Dan Miners

"We are thrilled to introduce the 'Turn Off Camera Sound' feature to our TunesKit Activation Unlocker," said Dan Miners, the Product Manager at TunesKit. " We understand

that our customers value their privacy and discretion, and we are committed to providing them with features that enhance their user experience. This new addition, along with our expanded support for iOS 16.7.5, solidifies TunesKit Activation Unlocker as the go-to solution for bypassing activation locks on Apple devices."

The update is available immediately and can be downloaded through the TunesKit website or via the in-app update feature for existing users. TunesKit remains dedicated to providing exceptional service and updates that respond to the evolving needs of their user base.
