"We released this line of apparel for Sempernauts and everyone interested in maximizing their life spans and health spans. It's more than just exercising, it's a complete lifestyle for longevity."

Sempernaut, a word coined by John Willsey stands for "forever voyager", a person who is trained to overcome the pull of aging and reach LEV (longevity escape velocity).

The Sempernaut line of apparel includes yoga outfits, athletic shirts, hoodies, jackets, hats, track pants, shorts and sports shoes. The Sempernaut logo is a color ribbon that is a central part of the infinity symbol. It has a beginning and an end, but no defined length.
