

# SMONET's Latest CR6 Automatic Pool Cleaner Delivers Effortless Cleaning Solutions

*An Efficient Cleaning Experience for Pristine Pool Maintenance with the Advanced Automatic Pool Vacuum*

LOS ANGELES, CALIFORNIA, UNITED STATES, April 8, 2024

/EINPresswire.com/ -- In an innovative stride towards simplifying pool maintenance, [SMONET](#) introduces the CR6, a cutting-edge [automatic pool vacuum](#) designed to transform the way homeowners approach pool cleanliness. This smart device represents a leap in both functionality and convenience, marrying potent suction capabilities with intelligent navigation technology.

The CR6 boasts a formidable 180W suction power delivered by triple motors, making short work of filtering 80 gallons of water per minute. It is adept at extracting various types of debris, sand, and leaves from the water, ensuring that pools remain spotless.

One of the CR6's most noteworthy features is its impressive 150-minute runtime, which enables comprehensive cleaning of both above-ground and in-ground pools. With a fast recharge time of only 2.5 hours, pool owners can maintain their pools with utmost efficiency.

Smart SonarNav Pro navigation technology is the cornerstone of the [pool vacuum cleaners](#)'

intelligent cleaning capabilities. These robot are programmed to meticulously clean every inch of the pool — floor, walls, and waterline — systematically ensuring a thorough cleanse for pools up to 2,000 square feet.

In terms of flexibility, the CR6 outrivals with its three diverse cleaning modes: Wall-only, Floor-only, and All Cover.

These options provide pool owners with control over the cleaning process, tailoring it to their pool's specific needs. The cordless design of these pool vacuum cleaners eschews the problems of tangled cords, offering a truly hands-free experience.

Accessibility remains a paramount concern for SMONET, and the user-friendly interface of the CR6 is a testament to that. Equipped with clear LED indicators and a self-parking feature, the pool sweeper highlights ease of use as a key benefit. Moreover, SMONET's commitment to customer satisfaction is underscored by a 2-year warranty along with dedicated service support for the CR6.

With the introduction of the CR6, pool maintenance is no longer a cumbersome chore but a seamless element of smart living. SMONET continues to innovate in the home automation space, providing pool owners with advanced solutions to preserve the serenity and purity of their swimming pools.
