

Antigal Winery & Estates Unveils 2021 UNO Malbec in Celebration of World Malbec Day

Antigal Winery & Estates introduces its newest release, 2021 UNO Malbec, a wine crafted to elevate celebrations on World Malbec Day, April 17, 2024.

MENDOZA, RUSSELL-MAIPU, ARGENTINA, April 8, 2024 /EINPresswire.com/ -- "We are thrilled to present our 2021 UNO Malbec in celebration of World Malbec Day. This wine embodies the passion and dedication we put into crafting exceptional wines from the acclaimed Uco Valley in Mendoza, Argentina, and we are excited to share it with wine lovers around the globe," said Alessandra Cartoni, Director, [Antigal Winery & Estates](#).

"What sets Malbec apart are its intriguing flavors and versatile nature. From its fascinating history to its ability to complement a wide range of dishes, Malbec promises a unique wine journey that keeps connoisseurs coming back for more. UNO Malbec not only highlights Argentina's top-quality wine production but also offers affordability without compromising quality," she continued.

"Malbec's popularity continues to soar in the U.S., standing closely behind Merlot, Pinot Noir, and Cabernet Sauvignon. The grape flourishes in regions characterized by sunny days and cool nights and reveals its full potential, displaying terroir-driven qualities unique to the area. Argentina's adoption of Malbec as its flagship grape not only reflects its cultivation achievements but also underscores its profound cultural and historical connections with this varietal, elevating it as a symbol of Argentina's winemaking excellence," emphasized Santiago Ribisich, General Manager.

Cartoni continued, "Malbec is known for its food-friendly nature, pairing well with a variety of dishes due to its moderate tannins and fruit-forward flavors. Some recommended pairings include grilled meats such as steak, lamb or burgers, hearty stews, barbecue dishes, charcuterie boards with cured meats and cheeses and even dark chocolate desserts. The wine's versatility makes it an excellent choice for a wide range of cuisines, from Argentinean grilled meats to Italian pasta dishes and spicy Mexican cuisine."
