- \*"Do you recall the specifics of how you were exposed to asbestos at work, in the military or both-and when this exposure occurred? This is incredibly important information.
- \* "Do you recall the names of coworkers who might have witnessed your exposure to asbestos? An eyewitness to your asbestos exposure might increase your compensation.
- \*"Did you have more than one job where you might have been exposed to asbestos on the job?
- \*"Do your medical records include a biopsy that confirms the mesothelioma or asbestos exposure lung cancer?
  
- \* "Has your loved one's doctor told you that mesothelioma is a distinct possibility-but because they are so sick-weak-a biopsy to confirm the mesothelioma is not possible? If this is your loved one, please call us at 866-714-6466."
