

Leading Metalworking Tools & Machinery Distributor KBC Tools & Machinery Provides Tips for Purchasing Tools on a Budget

In today's fast-paced metalworking industry, having the right tools at hand is essential for success.

MISSISSAUGA, ONTARIO, CANADA, April 22, 2024 /EINPresswire.com/ -- In today's fast-paced metalworking industry, having the right tools at hand is essential for success. [KBC Tools & Machinery](#), a leading distributor of metalworking tools and machinery, understands the importance of equipping teams with high-quality tools while staying within budget constraints. KBC is committed to providing valuable solutions to its customers.

“

Empowering our clients with affordable, top-notch tools is our priority. We believe that access to quality equipment shouldn't break the bank.”

Paula Bass, President

“Empowering our clients with affordable, top-notch tools is our priority,” says Paula Bass, President of KBC Tools & Machinery. “We believe that access to quality equipment shouldn't break the bank. From machinists to CNC operators, we're dedicated to helping businesses thrive with cost-effective solutions.”

Here are 10 tips from KBC Tools & Machinery to help businesses make the most of their tooling budget:

1. Take Advantage of Clearance Sales: Enjoy significant discounts ranging from 25% to 70% on millions of dollars worth of tools in KBC's Excess Inventory section.
2. Consider Alternative Sizes: Explore odd-sized drills, reamers, end mills, and more at discounted prices to accomplish tasks effectively without breaking the bank.
3. Buy in Bulk: Look for package quantity and quantity discounts on regularly used products such as drills, taps, end mills, abrasives, fasteners, and bandsaw blades.

4. Stay Updated with Sales Flyers: Keep an eye on KBC's sales flyers for special savings, new product introductions, and free promotional products with purchases. Examples of great savings include:

- o PEC depth and angles gages at -25%
- o Superior 20 piece Shur-Kut quick change disc kits at -20%
- o MA Ford solid carbide HiORoc drill sets in 16ths, 32nds, and 64th at -20%
- o Techniks 43 piece CAT-40 V-flange tooling package at -20%
- o Shaviv's most popular high-speed steel and coated deburring blades at -25%
- o Standard Abrasives Brite Rite general purpose maroon non-woven hand pads at -30%
- o Fowler 1" range, .001 graduation dial indicator at -30%
- o Edwards Jaws 55 ton punch pressure Ironworker – too low to advertise, call for pricing
- o And more industrial products at industrial pricing. Download the April 2024 Sale Flyer

5. Bundle Savings: Enjoy a 10% discount on regularly priced tooling and accessories with the purchase of a new machine from KBC.

6. Enhance Accuracy with DRO Systems: Increase machining accuracy and reduce errors with affordable igaging ez-view Digital Read Out (DRO) systems starting from \$49 US.

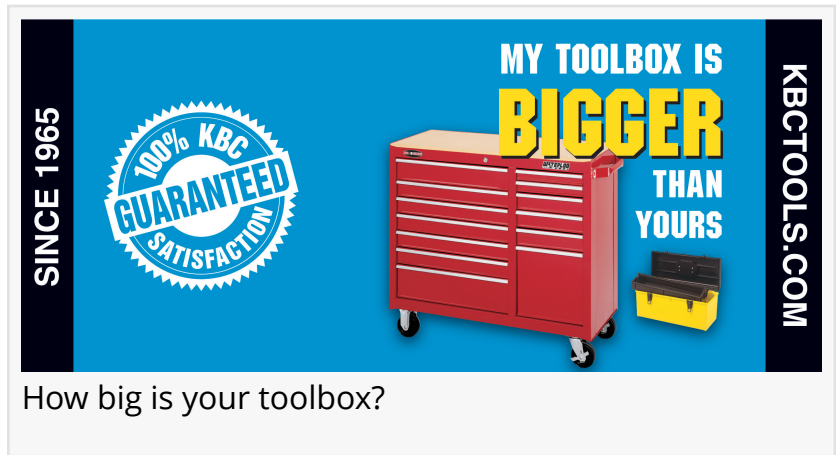

7. Invest in Time-Saving Solutions: Save time and money with time-saving solutions like Octane Chip Guard t-slot covers for mills, reducing cleanup and setup time.

8. Trust in BRAND KBC: Benefit from considerable savings on high-quality BRAND KBC products, including cutting tools, precision instruments, work holding, and abrasives.

9. Optimize Volume Purchasing: Provide KBC with a comprehensive list of yearly tooling purchases to leverage volume purchasing for inventory management and on-time delivery.

10. Enjoy Free Shipping: Take advantage of free shipping on orders over \$349 US or \$449 Canadian weighing under 50 lbs, saving on shipping charges.
