

# Kool Temp Heating and Cooling to Host High School Students in New Training Center

*Local HVAC Students are Invited to Participate*

COXSACKIE, NY, UNITED STATES, April 9, 2024 /EINPresswire.com/ -- Kool Temp Heating and Cooling will invite local high school students who are currently enrolled in a heating and air conditioning class to participate in 3 free HVAC classes taking place at the new Kool Temp Heating and Cooling Training Facility located at 11639 Route 9w in Coxsackie on April 14th, 21st, and 28th.

The 4 hour classes will be taught by Mike Veeder and will be interactive where the students will get actual hands-on time on functional equipment that has been installed in the Kool Temp training facility. Classes will cover such topics as combustion testing, commissioning hvac systems, troubleshooting systems and more. They will also learn about the new A2L refrigerants that will be replacing the current refrigerants.

Veeder says “I love to give back to the students and to motivate & encourage them to get into a field where there are plenty of opportunities to be successful”.
