STANDARD DEFINITION FILMS'

Breakthrough Dark Comedy - Available to RENT or OWN - Beginning April 9, 2024.

LOS ANGELES, CA, USA, April 9, 2024 /EINPresswire.com/ -- Industry leader [Random Media](#) is proud to showcase indie filmmaking at its most ambitious, with the VOD streaming release of breakthrough creators Standard Definition Films' dark dramatic comedy, [PART-TIME KILLER](#), releasing wide on all major TVOD platforms, to rental or buy, beginning April 9, 2024.

Made in under three months for less than \$2,000 as the Austin, Texas production company's first feature, PART-TIME KILLER is a blistering achievement of DIY filmmaking, a violently stylish and gleefully amoral dark comedy that features a trans heroine, Melody, saddled in a dead-end job, struggling to get by while continuing to find the money to transition. With joining the gig economy and part-time work her only option, Melody unknowingly stumbles onto and downloads an app that pays disproportionately big money. After solving her financial problems by reluctantly becoming a successful gig-assassin, she soon finds out she's not

Directed by BJ Turner III, and starring Valeria Turner as Melody Rose, Diana Sexton as Mariah Bloodfeather and Dallas Gossett as Darius King, PART-TIME KILLER's story is based on director BJ Turner III and star Valeria Turner's

real-life experience working in telephone call centers. Hilariously lampooning modern American capitalism, work/grind culture, and the gig-economy through its relentless satiric comedy, featuring dark humor, slow-motion gunfights, and killer mimes, the film was darling of Indie film festivals, being voted South Texas Underground Film Festival's 'Spirit of Stuff' Award and was awarded 'Best Comedy' at the Bare Bones International Film Fest, with Director BJ Turner III lauded there as 'Indie Auteur of the Year.'
