The two-day 2024 symposium, held at the Fairmont Century Plaza Hotel here, takes place from Tuesday, April 16 to Thursday April 18. The center stage discussion on "Current Trends in The Family Office," featuring Soldano and Kushner, runs from 9:15AM to 10AM session on Tuesday, April 16, and is the first topic discussed at the event.

"Each year, our goal is to arm our attendees with valuable knowledge and key insight about a wide range of industries from real estate to technology," said Kushner about this year's conference. "This event is designed to bring together the industry leaders to discuss the shifting markets, and new investment opportunities to help them make wiser investment and business decisions," he said.

"Family offices are finding themselves in state of transition as [next generation issues](#) and different family needs present themselves to their [multi-generational family business](#) clients," said Soldano about the topic.
