Springfree's Medium Round Trampoline Wins 2024 Parents' Picks Awards

The Parents' Picks Awards, known for their rigorous selection process based on reviews by parents, educators, and professionals on over 50 criteria, highlight products that stand out in promoting active and safe play for children across different age groups.

Springfree Trampoline's Medium Round Trampoline impressed judges with its exceptional quality, innovative design, and commitment to safety.

"We are honored to receive these prestigious awards for our Medium Round Trampoline," said Amy McIntee, Co-COO at goba Sports Group, which owns Springfree Trampoline.

"At Springfree, we are dedicated to creating products that not only provide endless joyful moments but also promote physical activity and outdoor play for children of all ages. These awards are a testament to our ongoing commitment to excellence and innovation."

The Medium Round Trampoline from Springfree Trampoline is designed with safety as the top priority.

Like all Springfree Trampolines, it features patented composite rods instead of traditional metal springs, eliminating the risk of injury from hard edges or pinch points.

It also includes a flexible net that prevents falls to the ground, a mat with no hard edges, a frame that is “hidden” from the jumper and enclosure rods that replace the need for metal trampoline poles.

Springfree Trampoline's Medium Round Trampoline is available for purchase online and at select retailers and dealers nationwide. For more information about Springfree Trampoline and its award-winning products, visit www.springfreetrampoline.com.
