Overwhelming Positive Feedback from the Killeen, TX Community

Kim Mendez recently testified that "This facility is ,hands down, the best place to receive genuine care during your recovery process!! The staff truly cares for you and will go to bat to make sure you are taken care of!! The beds are so comfortable! Victoria from house keeping goes above and beyond! Tyrone, Naomi, Nicole- y'all were the best! Gina and Felix, thank y'all so much for so many tools to use in life! I can't name all of the staff but they're all wonderful ☺☺I hope to one day cross paths with some of the amazing individuals I had the pleasure of working with in my recovery journey! ☺☺ Keep up the great work!!"

Andrew Neuauer from Killeen said "I hit a rough patch heading into the holidays and relapsed, so I went back to Virtue for help. I had gone to the facility in Vegas a while back, but for insurance reasons I had to go to Killeen. Yes! Virtue is that good of a facility it's worth traveling to, Killeen provided transportation to and from Austin airport. Really the only thing different between the two facilities was the location. Killeen is definitely a 5-star treatment center, very clean with beautiful room and comfortable beds. The staff was amazing from housekeeping to the director! Their program is great with a nice mix of classes and free time, with plenty of activities to do." Andrew further added "You cannot go wrong by picking Virtue for your treatment! oh... also ask about "Tyrone Bingo" it's a wonderful night of entertainment!! Big hearted thank you to all the staff, you're all a blessing!! followed with the 'Serenity Prayer.'"

John Mceuen included in his review: "This is celebrity rehab! The facility is brand new and awesome. Beds 9/10 Food is 9/10 and staff 9/10. The staff is really what makes this place special. They are all recovering addicts and don't look down on you. They really want to help. They know your name the minute you walk in the door. The only regret I have is not going to this place sooner."

"Virtue Recovery Center was the best thing I have done in my life. The staff is very attentive to my needs as a recovering person. Ms Naomi and the rest of the BHT staff were phenomenal in caring for all as a whole. Tyrone and Jake made sure I was feed and ready for recovery. Ms Enice, Tiffany, Wendy and Ian and Jessica the late night BHTs were the best I could hope for.The nursing staff, Randa, Rikki, Tiera, Kayla,Mathew, Holley and Sharon ensured I received my medications exactly as prescribed for me." Said Kyle Jeter, further adding "Greatest Ever!!!!The food was phenomenal due to the expertise of the head Chef Heather and her crew Giovanny (Joey) and Jose. The clinical staff which includes Kerri, Angela my therapist, Felix, Angela S., Gina, and of course Dr. Raj. Were impressive to say the least. Last but not least Victoria and Catalina are the best housekeepers ever. Maintenance man Jorge, was outstanding. The facility is top notch including the exercise room. Best Ever".
