

Dr. Michael Hughes Has Been Named Top FUE Hair Restoration Doctor in California in the 2024 Aesthetic Everything® Awards

Dr. Michael Hughes has been named the "Top FUE Hair Restoration Doctor in California" in the 2024 Aesthetic Everything® Awards.

BEVERLY HILLS, CALIFORNIA, UNITED STATES, April 11, 2024 /EINPresswire.com/ -- [Dr. Michael Hughes](#) a renowned hair restoration specialist, has been named the "Top FUE Hair Restoration Doctor in California" in the 2024 [Aesthetic Everything®](#) Aesthetic and Cosmetic Medicine Awards. This prestigious award recognizes Dr. Hughes' exceptional skills and expertise in the field of hair restoration, solidifying his position as one of the leading doctors in the industry.

Dr. Hughes has been practicing hair restoration for over 10 years and has helped countless patients regain their confidence and self-esteem through his innovative techniques and personalized approach. He is known for his mastery of the Follicular Unit Extraction (FUE) method, a minimally invasive procedure that involves extracting individual hair follicles from the donor area and transplanting them to the balding or thinning areas of the scalp. This technique results in natural-looking and long-lasting results, making it a popular choice among patients.

"I am honored and humbled to receive this award from Aesthetic Everything®," said Dr. Hughes. "I am passionate about helping my patients achieve their desired hair goals and this recognition is a testament to my dedication and hard work. I am grateful for the trust and support of my patients and colleagues, and I will continue to strive for excellence in my practice."

The Aesthetic Everything® Aesthetic and Cosmetic Medicine Awards is an annual event since 2009, that recognizes the top professionals and companies in the aesthetic and cosmetic medicine industry. The winners are chosen through a rigorous nomination and voting process by

industry peers and patients.

Dr. Hughes' achievement in winning the "Top FUE Hair Restoration Doctor in California" award is a testament to his commitment to providing exceptional care and results for his patients. His dedication to staying at the forefront of the latest techniques and technologies in hair restoration has made him a trusted and sought-after doctor in the field. Congratulations to Dr. Hughes on this well-deserved recognition.

ABOUT Dr. Michael Hughes:

Dr. Michael Hughes is a board-certified hair restoration specialist with over 10 years of experience in the field. He is known for his expertise in the Follicular Unit Extraction (FUE) method and has helped numerous patients achieve natural-looking and long-lasting results. Dr. Hughes is committed to providing personalized and compassionate care to his patients, helping them regain their confidence and self-esteem. He is based in Beverly Hills, California, and serves patients from all over the world.

Michael Hughes, MD is board certified in General Surgery for over 20 years and is licensed in multiple states including California and Utah. He graduated from the University of Texas at Austin (LONGHORNS) with a degree in Biology and then obtained his medical doctorate from the University of Texas Medical Branch on a scholarship from the United States Air Force. Following his passion for surgery, Dr. Hughes performed a Surgical Residency and Thoracic Surgery Fellowship at Keesler AFB Medical Center in Mississippi.

Over the years, Dr. Hughes developed an interest in the artistic aspect of precise microsurgical procedures and began practicing hair restoration surgery on the east coast. It was his surgical precision and devotion to patient care that led his path to [AlviArmani](#) Beverly Hills.

Today, Dr. Hughes specializes in large FUE procedures of 3,500+ grafts delivering undetectable results while providing the artistic hairlines that AlviArmani is best known for.

Dr. Hughes is a Fellow of the American College of Surgeons, a Member of the International Society of Hair Restoration Surgeons (ISHRS), Member of the International Alliance of Hair Restoration Surgeons (IAHRS) and is recommended by The American Hair Loss Association and has practiced medicine and surgery for over 20 years.
