Under the S1PS program, Dr. Brewlittle's Beer Co. provides rescues with free space every Sunday from 12pm-4pm to host fundraising events and showcase adoptable animals. This initiative aims to help rescues raise vital funds, increase awareness about pet adoption, and ultimately save more pet lives.

“

At Dr. Brewlittle's, we are super passionate about animals, and this program allows us to channel that passion into making a tangible difference in the lives of pets in need.”

"We are thrilled to introduce our Save 1 Pet Sundays program," said Jack O'Connell, Co-Founder, Director of Operations and Cat Dad at Dr. Brewlittle's Beer Co. "At Dr. Brewlittle's, we are super passionate about animals, and this program allows us to channel that passion into making a tangible difference in the lives of pets in need. By providing free space, donating a portion of beer sales, and supporting fundraising efforts, we hope to empower local

rescues and contribute to the ongoing mission of finding loving homes for every animal."

During the S1PS events, Dr. Brewlittles Beer Co. will donate \$1 from every beer sold to the participating rescue organizations. This financial support will aid rescues in their efforts to provide medical care, shelter, and rehabilitation for animals in their care. Additionally, the breweries' pet-friendly environment allows attendees to enjoy their favorite craft beers while spending quality time with their furry friends.

The S1PS program also encourages rescues to bring in adoptable animals to the events. By showcasing these lovable pets, Dr. Brewlittles Beer Co. hopes to create more opportunities for potential adopters to meet their future four-legged family members.

Furthermore, participating rescues will have the opportunity to sell merchandise and organize fundraising activities such as raffles, further boosting their fundraising potential. Dr. Brewlittles Beer Co. is dedicated to supporting the rescue community and is excited to provide a platform for these organizations to connect with the community and raise awareness about pet adoption.
