will be a sponsor and exhibitor at this year's NAHAM Annual conference and expo in Dallas Texas. The event is taking place between April 23-26th. AMBIR will be exhibiting at booth #222. AMBIR will be demonstrating and displaying its suite of enhanced scanning solutions that are the de-facto preferred patient registration and ID/Card Capture solution in hospitals, clinics and medical practices throughout the US. AMBIR Healthcare Solutions play a vital role in automating and streamlining critical processes in hospitals and physicians offices. AMBIR is known for developing high quality products with a low Total Cost of Ownership.

AMBIR products are used extensively in the healthcare space, particularly in workflows around patient onboarding, patient check in and patient management. The Card and ID scanners, Document Scanners, Electronic Signature Pads and Barcode Scanners are a common site in physician offices, hospitals and ambulatory surgery centers. The NAHAM event is centered around patient access and management and AMBIR will be demonstrating how these solutions support the mission of NAHAM.

The National Association of Healthcare Access Management establishes best practices and subject matter expertise; provides an array of networking, education, and certification opportunities; and enables NAHAM members to influence and promote high quality delivery of Patient Access Services.
