ABOUT ALEX

The 6' 6" entertainer from rural Lancaster, Kentucky is a natural fan favorite. When Alex hits the stage he owns the spotlight – and the hearts of those in the crowd. He can be a wild man onstage - ala early Garth Brooks as he electrifies audiences with his high-energy performances - or he can bring nuance and deep emotion to a tender ballad. American Idol Season 19 brought him fame and totally changed his life in 2021. Alex's well-received debut album, MILLER TIME, released in 2022, generated three high-impact singles. His second release, COUNTRY (2023), brought more hits: "When God Made The South," "Girl, I Know A Guy," and his most recent smash single, "Puttin' Up Hay," which spent three weeks at #1 on the CDX True Indie Chart and graced the Top 50 on the Mediabase Activator Chart. He's toured the State and County Fair circuit heavily (KY, MO, NY, WA, WI, IL, IN, OK, WV), and opened for Brooks & Dunn, Hank, Jr, Josh Turner, Lee Brice, Jamey Johnson, Chris Janson, Chapel Hart, Drake Milligan, Noah Thompson, Dillon Carmichael, HunterGirl, Emily Ann Roberts and Tracy Byrd. Alex has also made sure to carve out time for his songwriting, and in the last 12 months he has collaborated with hitmakers Kent Blazy, Larry Cordle, Kirsti Manna, Byron Hill, Carl Jackson, Wood Newton, Emily Ann Roberts, Jerry Salley, Josh Shilling, and Bill Whyte. Closing out a spectacular 2023, he received the American FFA Degree for excellence, the organization's highest accolade.
