

Cedar Management Consulting Clinches a Spot on the Forbes America's Best Management Consulting Companies 2024 List

NEW YORK, USA, April 12, 2024

/EINPresswire.com/ -- [Cedar Management Consulting International](#), LLC (Cedar) has once again been

distinguished with a place on the globally recognized Forbes list of America's Best Management Consulting Companies 2024. This accolade, in partnership with Forbes and the market research firm Statista Inc., reconfirms Cedar's longstanding commitment in helping clients develop & execute breakthrough strategy in a market bustling with competition. With one million management consulting firms in the US generating nearly \$370 billion this year, as reported by IBISWorld, this recognition places Cedar at the forefront of the industry.

The full awards list was revealed on the Forbes website.

Cedar ranked on Forbes America's Best Management Consulting Companies List 2024

The 2024 ranking results from rigorous evaluations conducted from mid-November 2023 to mid-January 2024, involving more than 1,100 partners and executives from management consulting firms and over 1,200 clients. These surveys spanned 16 industries and functional areas. Consulting firms were assessed not only on their current year's performance but also considering last year's results, with this year's recommendations given greater weight, particularly those from peers in the consulting industry. The methodology culminated in the most commendable firms receiving star ratings based on the frequency of recommendations, with Cedar earning a place among the elite with its robust and client-centric strategies.

"Receiving this recognition from Forbes for the third consecutive year is a tremendous honor and speaks volumes about our team's dedication to excellence," stated Sanjiv Anand, Founder & Chairman of Cedar Management Consulting International. He continued, "Cedar's thought-leadership in strategy execution and its commitment to client, across industries, especially in the financial services sector has always ensured we deliver results in the transformation of

businesses and resulting shareholder value.
