Open Training Sessions

Sofema offers the opportunity for partners to organize and promote open training sessions under the SAS brand. This model allows the partners to handle the course logistics and marketing, bringing high-quality training directly to their local markets or professional networks. It's an excellent way to enhance their portfolio and connect with the audience on a deeper level.

In-Company Training

SAS specializes in providing tailored in-company training sessions, adaptable to either on-site delivery or via remote platforms like Zoom.us or Microsoft Teams. This option caters to businesses seeking a more personalized training experience for their teams, with partners playing a crucial role in facilitating these engagements. [Learn more](#)

Online Courses

Through www.SofemaOnline.com, partners can tap into an extensive catalog of over 350 aviation courses available for online delivery. This virtual platform offers a wide range of self-paced, expertly crafted courses and diplomas, suitable for diverse learning preferences and schedules.
