Thoughts on my Thoughts III, The TALES That Wagged This Veterinarian

“

A testament to the power of love, compassion, and the resilience of the human spirit.”

*MainSpring Books*

In "Thoughts on my Thoughts III," Dr. Hoge shares his personal reflections and scientific explorations, offering a unique perspective on the interconnectedness of all things. The book examines the concept that our physical world is just one of many dimensions, and that through out-of-body experiences, we might access other realms and gain insights into the nature of existence.

Dr. Hoge's message is one of hope and enlightenment: "You are part of a grand, interconnected universe. Embrace the love that binds us all." This book serves as a guide for those seeking to understand the deeper truths of our world and beyond.

Dr. Walter R. Hoge's latest book, "Thoughts on my Thoughts III, The TALES That Wagged This Veterinarian," explores the mysteries of life and will be featured at the LA Times Festival of Books 2024. This thought-provoking work invites readers to delve into the possibilities of existence

beyond the physical realm and offers insights from a visionary mind.

Dr. Walter R. Hoge is a respected veterinarian with a passion for unraveling the mysteries of the universe. His unique blend of scientific knowledge and spiritual insight provides readers with an engaging exploration of life's greatest questions.
