

# New York Mesothelioma Victims Center Urges a Person who Used Talcum-Baby Powder and Has Just Been Diagnosed with Mesothelioma Anywhere in New York to Call Attorney Joe Belluck of Belluck & Fox to Discuss Compensation

NEW YORK, NEW YORK , USA, April 15, 2024 /EINPresswire.com/ -- The New York Mesothelioma Victims Center says, "If your loved one has been a frequent user of talcum powder-baby powder for years and they have just been diagnosed with mesothelioma anywhere in New York State-please call attorney Joe Belluck of Belluck & Fox anytime at 866-714-6466. We have endorsed attorney Joe Belluck of Belluck & Fox for a person with mesothelioma anywhere in New York-because we consider him to be the state's most capable mesothelioma attorney.

"The average age for your typical victim of mesothelioma is about 70 years old, and most had significant exposure to asbestos in the navy, at a shipyard, power plant, as a construction or skilled trades worker. Most of these types of people are men. A baby powder or talcum powder user who has developed mesothelioma might literally be in their 20s. Some of these types of people used talcum powder-baby powder have been doing so all their lives. Talcum powder-baby powder may have contained asbestos.

"If your loved one has just been diagnosed with mesothelioma anywhere in New York State and they were a user of baby powder-talcum powder please call attorney Joe Belluck of Belluck & Fox at 866-714-6466 about compensation. Joe Belluck is the attorney we would turn to if our loved

one had mesothelioma."

Suggestions from the Mesothelioma Victims Center for people with mesothelioma in New York or nationwide on how to increase potential financial compensation:

\* "Do you recall the specifics of how you were exposed to asbestos at work, in the military or both-and when this exposure occurred? This is incredibly important information.

\* "Do you recall the names of coworkers who might have witnessed your exposure to asbestos?

\* "Did you have more than one job where you might have been exposed to asbestos?

\* "Do your medical records include a biopsy that confirms the mesothelioma or asbestos exposure lung cancer?"

If a person with mesothelioma or asbestos exposure lung cancer anywhere else in the nation-or their family members would like some suggestions as to what lawyer-law firm to call-please call the Mesothelioma Victims Center anytime at 866-714-6466-"we have assembled the most amazing mesothelioma attorneys in the nation-and we would be honored to make recommendations." <https://MesotheliomaVictimsCenter.Com>
