

John Rosenfeld Studios Debuts New Website

Renowned Los Angeles acting school John Rosenfeld Studios is launching their new website and celebrating with special offers for actors at all levels.

WEST HOLLYWOOD, CA, UNITED STATES, April 17, 2024

/EINPresswire.com/ -- As part of the launch of their new website, renowned Los Angeles acting school John Rosenfeld Studios is sharing special spring offers for actors at all levels.

These specials include limited time offers on Group Consultations and Tool Shop with John Rosenfeld.

Group Consultations with John Rosenfeld are each capped at 6 students for maximum, personalized attention. In a group consultation, actors prepare 2-3 pages of material from TV or film (the JRS team will help with this part) and provide valuable tools which can be applied to auditions and casting.

In Tool Shop, a 3-week process-intensive class with John Rosenfeld Studios, actors will begin to develop a sophisticated and comprehensive understanding of all genres. Tool Shop actors can become expert storytellers, focusing on figuring out who they are, how they operate, and what acting tools best serve them. This intensive process provides an extraordinary foundation for an actor's development and a springboard for future opportunities.

All you can expect is what you put into it.”
