

# AP Technology Heads to Houston for One of America's Top Treasury and Finance Shows-- TEXPO 2024

*AP Technology Brings Remote Official Check Printing, Advanced Workflows, and Automated Payment Issuance to Banks Seeking Security and Ways to Attract Deposits*

HOUSTON, TEXAS, UNITED STATES, April 15, 2024 /EINPresswire.com/ -- Today, in booth #400 at TEXPO 2024 in Houston, [AP Technology](#) will be evangelizing its [APSecure](#) payment disbursement solution used by banks nationwide. The Carlsbad, California based company has been pioneering payment issuance software solutions since 1989.

"Banks and financial institutions are seeking ways to expand customer acquisitions and ultimately to increase customer deposits, even in areas where they may not have branch

locations," said Joe Briski, chief process and innovation officer at AP Technology. "Offering secure remote cashier check printing is just one way to extend bank services to customers anywhere."

AP Technology serves as a payment enhancement partner with services targeted for key markets which include [law firms](#), insurance companies, real estate offices, auto dealerships, accounting firms, government offices, and more.

APSecure's configurable advanced workflow capability is designed for institutions seeking to automate, improve, and better secure manual payment processes performed today. Secure remote check printing and the ability to integrate with core systems are also important features for the banks with whom AP Technology serves as a trusted payments partner.
