Mueller's Helping Hand Returns to Award Deserving Nonprofit with Up to 4000 Square Foot Building

Mueller, the leader in the metal buildings and metal roofing industry, is pleased to announce the return of Mueller's Helping Hand, a charitable initiative aimed at supporting nonprofits in their missions to serve their communities. Back by popular demand, Mueller's Helping Hand 2024 will award one deserving nonprofit organization with the opportunity to receive a building of up to 4000 square feet.

“

We are thrilled to bring back Mueller's Helping Hand and continue our tradition of giving back to the communities we serve.”

Mike Fry, Mueller's Director of Marketing

Mueller's Helping Hand seeks to empower nonprofits by providing them with the space they need to expand their operations and better serve those in need. Whether it's a

food bank, a shelter, a community center, fire station or a headquarters for the nonprofit, Mueller's Helping Hand aims to make a tangible difference in the abilities of those who are making a difference in their communities.

Applications for Mueller's Helping Hand will be available starting April 15th through May 24th. Nonprofits interested in applying can visit MuellerInc.com to learn more about the application process and eligibility criteria. The deadline for entering the process is May 24, 2024.

"We are thrilled to bring back Mueller's Helping Hand and continue our tradition of giving back to

the communities we serve," said Mike Fry, Mueller's Director of Marketing. "At Mueller, we believe in supporting those who are making a positive impact in their communities, and we are excited to once again offer this opportunity to deserving nonprofits."
