

# VE Gaming, A Valiant Eagle Inc. (OTC:PSRU) Subsidiary, Unveils Kitchen Pantry Chef: Powered by AI to Minimize Food Waste

LOS ANGELES, CA, UNITED STATES, April 15, 2024 /EINPresswire.com/ -- VE Gaming, a trailblazer in the realm of innovative technology, proudly announces the launch of Kitchen Pantry Chef, Version 1. This groundbreaking mobile application, powered by artificial intelligence, is designed to revolutionize meal planning and preparation while addressing the critical issue of food waste.

In today's world, food waste has reached alarming levels, with billions of tons of edible food ending up in landfills annually. According to the Food and Agriculture Organization of the United Nations, approximately 1.3 billion tons of food are wasted globally each year, equivalent to one-third of all food produced for human consumption. In the United States alone, it's estimated that up to 40% of food goes uneaten, contributing significantly to environmental degradation and economic loss.

As a responsible global citizen, VE Gaming recognizes the urgency of combating this pressing environmental and humanitarian challenge. Kitchen Pantry Chef emerges as a powerful tool in this endeavor, empowering users to transform kitchen staples into delectable dishes, thereby minimizing waste and maximizing culinary creativity.
