

# Tech Expert Victor Tabaac Joined CW Philly to Discuss Launch of Philly AI Connect's "Get Wit AI"

PHILADELPHIA, PA, USA, April 15, 2024 /EINPresswire.com/ -- Tech expert and President of Grayson Sky, Victor Tabaac, engaged with CW Philly at PHL17 to shed light on the launch event of [Philly AI Connect](#) titled "Get Wit AI," proudly sponsored by Pat's King of Steaks.

During the interview, Victor Tabaac emphasized the significance of cultivating talent in Philadelphia, marking a pivotal moment for the city's technological advancement, "what we are really looking to do, is cultivate talent in Philadelphia".

Philly AI Connect: But what exactly is Philly AI Connect? It's a vibrant community comprising artificial intelligence and machine learning enthusiasts, professionals, and researchers nestled within the Philadelphia area. The group's primary mission is to facilitate knowledge-sharing, networking, and collaboration among its members.

Meetings are scheduled monthly, featuring a diverse array of events such as workshops, speaker sessions, hackathons, and social gatherings. Topics span the spectrum of AI/ML developments, best practices, research discoveries, and practical applications.

Guest speakers, both local and international authorities in the AI/ML field, are frequently invited to enrich discussions. Workshops and hands-on sessions are recurrent, ensuring members are abreast of cutting-edge tools and methodologies. Collaboration is actively encouraged, fostering opportunities for joint research endeavors and entrepreneurial pursuits.
