We are excited to offer couples a space that embodies both elegance and simplicity while showcasing the talents of our community. We look forward to welcoming couples to create memories with us.”

Teresa and Max discovered the charm of the Rainbow Manor Wedding Chapel while searching for venues for their daughter's wedding. Intrigued by its allure, they seized the opportunity to purchase the property when it became available, fulfilling their dream of revitalizing the cherished space.

Guided by their children, one of whom is a seasoned Wedding Coordinator, and their son, an accomplished Furniture and Industrial Designer, Teresa and Max embarked on a six-month journey to rejuvenate the chapel. Collaborating with local vendors and family, they meticulously crafted a modern aesthetic with an all-white

interior and contemporary updates, ensuring versatility to accommodate a range of wedding styles.

Evergreen Venue is deeply rooted in the vibrant community of Rainbow City, committed to supporting local businesses. From catering by Local Joe's Barbecue & Catering to florals by Sugar and Stems, every aspect of a couple's special day can be sourced from local artisans and entrepreneurs. In partnership with organizations like the Etowah Chamber of Commerce, Evergreen Venue aims to foster connections and celebrate the spirit of collaboration within the community.

"We are excited to offer couples a space that embodies both elegance and simplicity while showcasing the talents of our local community," said Teresa and Max. "It has been a joyous journey transforming this chapel into a haven where love and creativity intertwine, and we look forward to welcoming couples and their families to create unforgettable memories with us."
