Lara Eurdolian

Senior Dog Rescue Runway Show in honor of beloved children's book character, and real-life Senior Rescue, Charlie King of '[Charlie at the Pom Springs Hotel](#)', of which Field wrote the forward for and celebrates his 18th birthday this month.

Patricia Field and Lara Eurdolian we're joined by tastemakers and VIPs including Nicky Hilton Rothschild, Orfeh, Margaret Joseph, Lexi Barbuto, Bessy Gatto, Chris Redd, KhrystyAna Kazakova, Peggy Z, Chloe Melas, Laura Geller, Jessica Lynn, and Phillip Bloch, who all came out to support the senior dogs.

Charlie King, the wonder senior rescue dog of owner Lara Eurdolian, is bringing together the dream team to raise awareness for senior rescues. Known for iconic looks from Carrie Bradshaw to Miranda Priestly and Emily Cooper, it was a natural fit for Patricia Field to help use her star power to dress adoptable rescues in one-of-a-kind pieces from her latest "Kiss the Dogs NYC" for Patricia Field ArtFashion collection.

Designed by James Suozzi, 'Kiss the Dogs NYC' for Patricia Field ArtFashion collection was available for purchase at the event, ahead of its national release on [patriciafield.com](#) on April 19th, which will feature images of the rescues modeling the clothes and include their name/story of the rescue information.

The event also served as Charlie's 18th birthday, who's children's book, 'Charlie at the Pom Springs Hotel', hit #1 new release on Amazon during its launch and has been making national headlines for his amazing story. The book actively supports animal adoption efforts, with a

portion of the proceeds being donated to various shelters and welfare organizations.

Lara Eurdolian worked with Patricia Field and the Patricia Field ArtFashion team to dress adoptable rescues from Animal Haven, Gatto Pups & Friends, and PupStarz Rescue. Additionally, Charlie opened and closed the show in a custom tutu (for his full 'Charlie Bradshaw' moment). The event was hosted at Flying Solo at 419 Broome St, which features independent fashion designers from around the world.

Eurdolian wanted to celebrate this incredible milestone and create a memorable experience for guests that would also help shine a light on dog adoption and the joys of rescuing a senior.
