The Cuddloom product line is thoughtfully crafted with one-of-a-kind rompers designed with convertible and grow-with-baby features from sizes 0 to 2T. Cuddloom rompers have unique "grow-on" sleeves and legs that are foldable ensuring the right fit as baby grows. The Cuddloom line also includes easy on/off features that make dressing and undressing babies a hassle-free experience. Other Cuddloom features include a snap opening for easy diaper checks, convertible footies or mittens, detachable hoodie, two-way zipper front, and zipper guard at chin.

At Cuddloom, quality is top priority which is why the company sources materials that are natural, gentle, soft, and hypoallergenic, keeping baby's delicate skin in mind. Cuddloom is also conscious about sustainability and therefore does not follow fast-fashion trends or seasonal changes, thus creating less carbon footprint compared to mainstream brands.
